## ENDORSEMENTS

“A medicine story as powerful and relevant as the *The Education of Little Tree*, *The Celestine Prophecy*, and *Medicine Woman*. MESHE, HESHE, MISON & ORBIT takes us to the place our souls feel at home. Plus, it's written beautifully!”

Kathryn L. Robyn, *Spiritual Housecleaning: Healing the Space Within by Beautifying the Space Around You*

“MESHE, HESHE, MISON & ORBIT is pure magic. This is an essential piece of the puzzle; Karen Deborah Farris has provided us a gift for living. MESHE is more than a book, it is brand new way of looking at life. READ THIS BOOK!”

Gary Quinn, *May the Angels Be With You: A Psychic Helps You Find Your Spirit Guides and Your True Purpose*

“Karen Deborah Farris has given us more than a magical, mystical tale. It is an inspired guidebook, enlightening the reader with practical tools for surviving life's inevitable and often unavoidable transitions. I found it a sweet and solid book, an enriching reminder of ways to savor the joy of life.”

Cheryl Tiegs, *Actress/Model*

“I read it cover to cover, and the only time I put it down was to eat. I must have dog-eared 20 pages. I kept coming across things and saying, ‘I want to read that again. I want to go back because that just reminded me of something I'd forgotten.’ It was warm, inviting and very real. I got a lot out of it.”

Benjamin Shield, *For the Love of God, Handbook for the Heart, Handbook for the Soul, Healers on Healing*

“This book is full of wonderful and practical tools for living and learning. It gives lots of examples and reasons for reflecting, savoring and fully appreciating life and everything it has to offer.”

Whole Life Times

“I have seen more people touched by this book and workshops than I can list. I personally experienced what MESHE can help you face and realize, and would recommend it to anyone. With the numerous options of books out there, it is nice to have a book that honestly stands out and speaks for itself. If only it would actually yell, Look at me! I am what you need!”

Carrie Laish, *Community Relations Manager, Barnes & Noble, Santa Clarita Store*

“A remarkable little book. Underneath what first appears to be a simple coming of age story is a profound teaching tool for all ages. Farris has invoked the ancient wisdom of the archetypal grandmother to create a unique and original set of tools for achieving a more conscious relationship with life.”
